

## The Ezra Institute

Christianity needs men and women who like Ezra, will commit themselves to study, obey and teach the Word of God. We at Source of Light Ministries, Int., want to promote the diligent study of God's Word. These courses will guide you. Real study includes reading, searching, analyzing, memorizing, and meditating on the Bible. Real study is accompanied with a yearning to obey God's commands:

**“He that hath my commandments, and keepeth them, he it is that loveth me”**

(John 14:21 KJV)

The Ezra Institute is an elective style track of study and so it offers a large range of courses which may be taken in any order according to a student's interest. We are continually adding more courses to this track of study online so that it can really benefit the student who is hungry for the Word. A Certificate of Completion is given as recognition at the end of each course. There is no degree associated with this track of study.

We, at Source of Light Ministries, Int., want to help train Christians throughout the world to know, obey and teach God's Word. These leaders can then continue the cycle by winning souls and teaching them the Word of God.

To enroll in the Ezra Institute as a student, register with us by filling out the application on the home page and choose the Ezra option. Courses in the shop are specified as “Elective Course”.

For Ezra had firmly resolved to study the Law of the Lord and to practice it, and to teach His statutes and ordinances in Israel.
